Booth Tarkington

Beasley's Christmas Party

A melodramatic folksy Christmas story, a little like Dicken's - with a Tiny Tim, but also with some romance. Tarkington's writings are very much set in his early 1900s American culture. We are meant to sympathize with the crippled child but not even notice the slights to the black servants. Still, Tarkington promotes kindness and uses a milder style of humor than many authors of his day. (Arnold Banner)
